

## SECTION 3

**New York Power Authority**  
**New Projects**  
**2014**  
**Capital Authorization**  
**(\$ in millions)**

<b>General Plant/ Minor Additions</b>	\$ 17.1
<b>Niagara Power Project:</b>	
• Lewiston Pump Generation plant-LEM	47.5
• Visitors Center Upgrade	8.9
• Vessels Joncair Breaker	6.8
• RM GSU 3 Replacement	5.5
• 150 Ton Traveling Crane Upgrade	2.9
• LPGP Draft Tube Trash Rack Replacement	2.5
<b>St. Lawrence Power Project</b>	
• Safety Systems Upgrade	7.1
• Visitors Center Upgrade	2.4
<b>Small Clean Power Plants</b>	
• Harlem River-Hellgate Blackstart	11.0
• Mark VI CT Controls Replacement	10.6
• New Supervisor Control System	1.8
<b>500 MW</b>	
• Block & Isolation Valves HRSG and Fuel Gas	5.2
<b>Blenheim-Gilboa</b>	
• Support Facility Improvement Project	13.9
• Visitor Center Upgrade	2.0
<b>Transmission</b>	
• Niagara Switchyard LEM	154.4
• Marcy South Series Compensator	45.6
• CEC Switchyard LEM	40.9
• Cooper Corner Shunt Reactor	4.7
• Massena Emergency Back-up Generator	2.6
• Substation LEM (Adk, Plattsburg, Saranac, Willis)	1.3
• MA1 & MA2 Line 230 kV Replacement	1.2
<b>Energy Efficiency</b>	
• Statewide Energy Efficiency Program	117.0
<b>Headquarters</b>	
• IT Initiatives/Hardware/Software Additions & Upgrades	13.9
• Communication Systems Upgrade	5.1
• Operations Network	2.4

<b>Total</b>	<b>\$534.3</b>
--------------	----------------

**Basis of Presentation:**

Section 2800, 1(a)(6) of the Public Authorities Law (PAL):

(6) the projects undertaken by such authority during the past year

**Definition of Project:**

The following is the definition of “Projects” from the Authority Budget Office website:

In general terms, a project would be the acquisition, construction, improvement or re-construction of an identifiable asset that results in the issuance of bonds or notes or some financial obligation or transaction. Examples of projects might include the acquisition, lease or development of a defined parcel of land or property, the renovation of a building, the reconstruction of a bridge, repairs to a specific part of roadway, sewer or water system, or the conversion or modernization of a facility.
