Introduction

Chairman Koelmel said this is a special day, the Board of Directors of the New York State Canal Corporation's first organizational meeting under the auspice of the New York State Power Authority. He welcomed the members and NYPA staff who were present at the meeting. He said that the meeting had been duly noticed as required by the Open Meetings Law and called the joint meeting of NYPA and Canal Corporation to order.

1. **Adoption of the January 31, 2017 Proposed Meeting Agenda**

Upon motion made by Trustee McKibben and seconded by Vice Chairman Nicandri, the meeting Agenda was adopted.

2. New York State Canal Corporation Committee Formation:

a. Canal Committee Charters

The President and Chief Executive Officer submitted the following report:

SUMMARY

The members are requested to adopt the proposed Audit Committee Charter (Exhibit '2a-A'), Finance Committee Charter (Exhibit '2a-B'), and Governance Committee Charter (Exhibit '2a-C') as recommended by the Executive Vice President and General Counsel. The existing By-laws and Charters are attached as Exhibit '2a-D.'

BACKGROUND

Article 5, Title 1, Section 1005-b of the Public Authorities Law provides that the Canal Corporation (the 'Corporation') be continued and reconstituted as a subsidiary corporation of the New York Power Authority (the 'Authority') as of January 1, 2017. Subsection 5 provides that the Board members of the Canal Corporation shall be the same persons holding the offices of Trustees of the Authority.

The Canal Charters are amended to provide continuity with the Authority Charters in order to increase efficiency and coherence in Board and Committee governance procedures.

RECOMMENDATION

In accordance with the provisions set forth in Section 1005-b of the Public Authorities Law, it is necessary for the Board of the Canal Corporation to take certain actions in order to allow the Canal Corporation to function as subsidiary to, but legally distinct from the Authority. Accordingly, it is recommended that the Board adopt the Corporation Audit Committee Charter, the Finance Committee Charter, and the Governance Committee Charter."

Mr. Justin Driscoll provided highlights of staff's recommendation to the Board. He said the members are requested to approve the three standing committees of the New York State Canal Corporation, a public benefit corporation and now a subsidiary of the New York Power Authority. He said staff is seeking the Board's approval of the designation of committee members of the new committees and recommends that the Corporation's committee members be the same as the members of the standing Power Authority committees and that the Chairs be the same; this will add efficiency and coherence with Power Authority matters. A minimum of two meetings per year is required; the committees should have not less than three members; and a quorum is a majority of the members. The Audit Committee Charter carries forward the same relationship between the Audit Committee and the Chief Audit Executive, the Controller and NYPA's external auditors.

Mr. Driscoll continued that the Charters before the Board mirror NYPA's standing committee Charters in all material respects. However, because the Canal Corporation is not empowered to issue debt, the language related to debt issuances, which is referenced in NYPA's Finance Committee Charter, was removed from the Canal Corporation's Finance Committee Charter.

In response to a question from Trustee McKibben, Mr. Driscoll said that the Authority's Internal Audit department will be providing auditing services to the Canal Corporation and joint meetings will consider Canal Corporation's matters, as necessary.

Upon motion made by Vice Chairman Nicandri and seconded by Trustee McKibben, the following resolution, as submitted by the President and Chief Executive Officer, was unanimously adopted.

RESOLVED, That the Canal Corporation Audit Committee Charter attached hereto as Exhibit '2a-A,' be, and hereby is adopted; and be it further

RESOLVED, That the Canal Corporation Finance Committee Charter attached hereto as Exhibit '2a-B,' be, and hereby is adopted; and be it further

RESOLVED, That the Canal Corporation Governance Committee Charter attached hereto as Exhibit '2a-C,' be, and hereby is adopted; and be it further

RESOLVED, That the Chairman, the Vice Chairman, the President and Chief Executive Officer, the Executive Vice President and Chief Operating Officer, and all other officers are, and each of them hereby is, authorized on behalf of the Corporation to do any and all things, take any and all actions and execute and deliver any and all agreements, certificates and other documents necessary to effectuate the foregoing resolution, subject to the approval of the form thereof by the Executive Vice President and General Counsel.

b. Canal Committee Appointments

The Chairman of the Authority submitted the following report:

“SUMMARY

The members are requested to approve the appointment, effective immediately, of the Authority’s Committee members to serve the Corporation in the same capacity until his or her successor is chosen and qualified or until his or her earlier removal, resignation or death.

BACKGROUND

Article 5, Title 1, Section 1005-b of the Public Authorities Law provides that the Canal Corporation (the ‘Corporation’) be continued and reconstituted as a subsidiary corporation of the New York Power Authority (the ‘Authority’) as of January 1, 2017. Subsection 5 provides that the Board members of the Canal Corporation shall be the same persons holding the offices of Trustees of the Authority.

RECOMMENDATION

In accordance with the provisions set forth Section 1005-b of the Public Authorities Law, it is necessary for the members to take certain actions in order to allow the Corporation to function as subsidiary to, but legally distinct from the Authority. It is recommended that the members adopt a resolution to appoint the Authority’s Committee members to serve the Corporation in the same capacity until his or her successor is chosen and qualified or until his or her earlier removal, resignation or death.”

Upon motion made by Vice Chairman Nicandri and seconded by Trustee McKibben, the following resolution, as submitted by the Chairman, was unanimously adopted.

RESOLVED, That pursuant to Public Authorities Law, Section 1005-b, the Authority’s Committee members are hereby appointed, effective immediately, to serve the Canal Corporation in the same capacity until his or her successor is chosen and qualified or until his or her earlier removal, resignation or death.

b. Adoption of Expenditure Authorization Procedures for the New York State Canal Corporation

The President and Chief Executive Officer submitted the following report:

SUMMARY

The Canal Corporation's Board of Directors ('Canal Board') is requested to adopt Expenditure Authorization Procedures ('EAPs') governing procurements made by, or on behalf of the New York State Canal Corporation ('Canal Corp.') pursuant to Article VII, Section 5 of the Canal Corp.'s proposed By-Laws (Exhibit 5b-A).

The Canal Board is also requested to delegate to the Chairman the authority to modify existing authorization and execution limits relating to commitments for the approval of, award of and change orders to contracts that do not require approval by the Canal Board.

BACKGROUND

Article VII, Section 5 of the Canal Corp.'s proposed By-Laws requires that the Canal Board adopt expenditure authorization procedures which, among other things, govern contract approval authorizations and executions. Good governance dictates that these EAPs, attached hereto as Exhibit '5b-A,' be presented for the Board's review, approval and adoption.

DISCUSSION

Staff has identified the need to authorize certain levels of personnel (titles) to approve commitments, as well as to set forth the execution (signing) limits for certain purchasing and other personnel. The recommended EAPs will rightly place responsibility with those employees already accountable for such functions and streamline the procurement process, while at the same time maintaining appropriate controls on the process.

In addition, the Board is requested to delegate to the Chairman the authority to modify existing authorization and execution limits of the EAPs relating to commitments for the approval of, award of and change orders to contracts that do not require approval by the Trustees. This delegation of authority provides for a more efficient amendment process, eliminating the need to return to the Board each time circumstances dictate a necessary revision to the EAPs.

FISCAL INFORMATION

There will be no financial impact on the Canal Corp.

RECOMMENDATION

The Senior Vice President – Public and Regulatory Affairs and the Vice President – Strategic Supply Management, as well as the Director of Canals, recommend that the Canal Board adopt the Expenditure Authorization Procedures ("EAPs") governing procurements made by, or on behalf of the Canal Corporation and also delegate to the Chairman the authority to modify existing authorization and execution limits relating to commitments for the approval of, award of and change orders to contracts that do not require approval by the Canal Board.

For the reasons stated, I recommend the approval of the above-requested action by adoption of the resolution below."

The following resolution, as submitted by the President and Chief Executive Officer, was unanimously adopted.

RESOLVED, That the Expenditure Authorization Procedures discussed in the foregoing report of the President and Chief Executive Officer, and attached hereto as Exhibit "5b-A," be hereby adopted; and be it further

RESOLVED, That the Chairman be authorized to modify the authorization and execution limits of the Expenditure Authorization Procedures relating to commitments for the approval of, award of and change orders to contracts that do not require approval by the Board; and be it further

RESOLVED, That the Chairman, the Vice Chairman, the President and Chief Executive Officer, the Chief Operating Officer and all other officers of the Canal Board are, and each of them hereby is, authorized on behalf of the Canal Corp. to do any and all things, take any and all actions and execute and deliver any and all agreements, certificates and other documents to effectuate the foregoing resolution, subject to the approval of the form thereof by the Executive Vice President and General Counsel.

c. Appointment of Officers of the Canal Corporation

The President and Chief Executive Officer submitted the following report:

“SUMMARY

The members are requested to appoint the Officers of the Corporation.

BACKGROUND

Article 5, Title 1, Section 1005-b of the Public Authorities Law provides that the Canal Corporation (the ‘Corporation’) be continued and reconstituted as a subsidiary corporation of the New York Power Authority (the ‘Authority’) as of January 1, 2017. Subsection 5 provides that the Board members of the Canal Corporation shall be the same persons holding the offices of Trustees of the Authority. Subsection 9 of the Public Authorities Law provides that the Corporation shall have the power to appoint officers.

RECOMMENDATION

In accordance with the provisions set forth in Section 1005-b of the Public Authorities Law, it is necessary for the Board of the Canal Corporation to take certain actions in order to allow the Canal Corporation to function as subsidiary to, but legally distinct from the Authority. It is recommended that the Board adopt the resolution to appoint the Authority Officers to serve the Corporation in the same capacity until his or her successor is chosen and qualified or until his or her earlier removal, resignation or death. As provided in the Public Authorities Law, the officers shall not receive any additional compensation, either direct or indirect, other than reimbursement for actual and necessary expenses incurred in the performance of his or her duties, by reason of serving as an Officer of the Corporation.”

The following resolution, as submitted by the President and Chief Executive Officer, was unanimously adopted.

RESOLVED, That pursuant to Public Authorities Law, Section 1005-b the New York Power Authority Officers are hereby appointed, effective immediately, to serve the Canal Corporation in the same capacity until his or her successor is chosen and qualified or until his or her earlier removal, resignation or death.

6. DISCUSSION AGENDA:

a. 2017 Canal Corporation Budget

The President and Chief Executive Officer submitted the following report:

“SUMMARY

The Canal Corporation Board of Directors (‘Canal Board’) is requested to approve the 2017 Budget for the Canal Corporation, specifically including expenditures for the (i) 2017 Operations and Maintenance (‘O&M’) Budget (attached as Exhibit ‘6a-A’), (ii) 2017 Capital Budget (attached as Exhibit ‘6a-B’), and (iii) 2017 Canal Development Fund Budget (collectively, the ‘2017 Canal Corporation Budgets’). The 2017 Canal Corporation Budgets set forth the expected expenses of the Canal Corporation and include the recommended expenditures in the following amounts:

<u>2017 Canal Corporation Budgets</u>	<u>(\$ million)</u>
O&M	\$ 84.3
Capital	\$ 60.5
Canal Development Fund	\$ 3.1

BACKGROUND

The Canal Corporation is authorized to operate, maintain, construct, reconstruct, improve, develop, finance, and promote the New York State canal system (the ‘Canal System’).

The 2017 Canal Corporation Budgets are intended to provide the Canal Corporation with the resources needed to meet the Canal Corporation’s overall mission and objectives.

DISCUSSION

2017 Canal Corporation O&M Budget

The 2017 O&M Budget of \$84.3 million reflects a concentration on the effective operation and maintenance of the Canal Corporation’s critical investments in New York State Canal System.

The 2017 O&M Budget for Operations provides appropriations for baseline, or recurring, work, along with new programs which have been created to more safely and effectively manage on-going operations. These programs include, but are not limited to, vegetation management (\$2.8 million), culvert cleaning and inspections (\$1.3 million), embankment inspections (\$1.0 million) and dam safety and bridge inspections ((\$0.9 million).

2017 Canal Corporation Capital Budget

The 2017 Capital Budget totals \$60.5 million, representing on-going and new capital projects. The significant projects for 2017 are: dam rehabilitation and repairs (\$16.1 million); IT projects (\$11.0 million); canal structure improvements (\$4.1 million); equipment and vessel replacement (\$4.2 million); wall repair/rehabilitation projects (\$4.0 million); lock rehab/rehabilitation (\$3.1 million).

2017 Canal Development Fund Budget

The 2017 Canal Development Fund Budget totals \$3.1 million, representing on-going costs associated with the New York State Canal System Development Fund (‘Canal Development Fund’).

The Canal Development Fund, created by State Finance Law §92-u, is a fund established in the joint custody of the State Comptroller and the Commissioner of Taxation and Finance. The Canal

Development Fund consists largely of revenues received from the operation of the Canal System. Moneys of the Canal Development Fund, following appropriation by the legislature, is made available to the Power Authority, and may be expended by the Power Authority or the Canal Corporation for the maintenance, construction, reconstruction, development or promotion of the Canal System. In addition, moneys from the Canal Development Fund may be used for the purposes of interpretive signage and promotion for appropriate historically significant Erie Canal lands and related sites. Moneys from the Canal Development Fund are paid out by the State Comptroller on certificates issued by the Director of the Budget.

FISCAL INFORMATION

The Canal Corporation's O&M, Capital and Canal Development Fund expenses are expected to be funded by transfers of funds from the Power Authority. Any transfers of funds from the Power Authority to the Canal Corporation would be subject to approval by the Power Authority's Board of Trustees and compliance with the Power Authority's General Resolution Authorizing Revenue Obligations, as amended and supplemented.

Canal Development Fund expenses are expected to be reimbursed to the Power Authority by the State Comptroller with moneys held in the Canal Development Fund as discussed above.

The Chief Financial Officer recommends that the Canal Board approve the 2017 Budgets for the Canal Corporation, specifically including the expenditures for (i) 2017 Operations and Maintenance ('O&M') Budget (attached as Exhibit '6a-A'), (ii) 2017 Capital Budget (attached as Exhibit '6a-B'), and (iii) the 2017 Canal Development Fund Budget.

For the reasons stated, I recommend the approval of the above-requested action by adoption of the resolution below."

The following resolution, as submitted by the President and Chief Executive Officer, was unanimously adopted.

RESOLVED, That the 2017 Budget for the Canal Corporation, specifically including the expenditures for (i) 2017 Operations and Maintenance Budget, (ii) 2017 Capital Budget, and (iii) 2017 Canal Development Fund Budget, each as discussed in the foregoing report of the President and Chief Executive Officer, are hereby approved; and be it further

RESOLVED, That the Canal Corporation Board of Directors acknowledges that any transfers of funds from the Power Authority to the Canal Corporation would be subject to approval by the Power Authority's Board of Trustees and compliance with the Power Authority's General Resolution Authorizing Revenue Obligations, as amended and supplemented; and be it further

RESOLVED, That the Chairman, the Vice Chairman, the President and Chief Executive Officer and all other officers of the Canal Corporation are, and each of them hereby is, authorized on behalf of the Canal Corporation to do any and all things, take any and all actions and execute and deliver any and all agreements, certificates and other documents to effectuate the foregoing resolution, subject to the approval of the form thereof by the Executive Vice President and General Counsel.

b. Canal Corporation Integration - Update

Ms. Harriman thanked the teams from the Canal Corporation and the Thruway Authority that worked with NYPA to accomplish the seamless transition of the Canal Corporation (a 450-person organization) to NYPA. She then provided an update of the accomplishments of staff to get to the Day One operations on January 1, 2017.

Personnel

All Canal staff have moved to new locations; equipment were deployed; training is being rolled-out; payroll for the 450 employees went live with no glitches; and transmission services agreements have been finalized.

Governance

The Authority will set up a governance structure, (Canal management committee), that will interact with NYPA's executives and Director Stratton to work on the transition and the transformation of the Canal Corporation, as well as high level day-to-day operational decisions, and set up an operating model for NYPA to employ, going forward. This will include reviewing some of the temporary IT solutions that were enacted to meet the Day One transition deadline, and the transition service agreements with the Thruway Authority for providing selective services in HR and other functions to NYPA, with a view to exiting those temporary solutions.

Post-Transition Stabilization

With the Trustees' approval of the Corporation's budget, NYPA will be able to secure and stabilize the asset, specifically on the "secure and stabilize" programs in vegetation management, embankment inspection, and culvert inspection. NYPA has a robust plan to roll-out those new inspection programs. NYPA plans to use lessons learned to adjust and evolve in those programs.

Operation Improvement and Efficiencies

NYPA will continue to look for operational improvement and efficiencies that it can introduce to the Corporation with the view to operating more efficiently in the canal communities.

Ms. Harriman ended by saying that NYPA has an ambitious agenda for the operation of the Canal Corporation and the Authority has a very efficient team in place to accomplish its goals.

c. Canal Corporation By-laws

The President and Chief Executive Officer submitted the following report:

SUMMARY

The members are requested to adopt the proposed Canal Corporation By-laws (Exhibit '6c-A') as recommended by the Executive Vice President and General Counsel. The existing By-laws are attached as Exhibit '6c-B.'

BACKGROUND

Article 5, Title 1, Section 1005-b of the Public Authorities Law provides that the Canal Corporation (the 'Corporation') be continued and reconstituted as a subsidiary corporation of the New York Power Authority (the 'Authority') as of January 1, 2017. Subsection 5 provides that the Board members of the Canal Corporation shall be the same persons holding the offices of Trustees of the Authority.

The Canal By-laws are amended to provide continuity with the Authority By-laws in order to increase efficiency and coherence in Board and Committee governance procedures.

RECOMMENDATION

In accordance with the provisions set forth Section 1005-b of the Public Authorities Law, it is necessary for the Board of the Canal Corporation to take certain actions in order to allow the Canal Corporation to function as subsidiary to, but legally distinct from the Authority. Accordingly, it is recommended that the Board adopt the proposed Corporation By-laws."

Mr. Justin Driscoll provided highlights of staff's recommendation to the Board. He said that in order to facilitate the Canal Corporation's operations as a subsidiary of the Power Authority, while at the same time maintaining it as a distinct legal entity, it is necessary to effectuate a new set of Canal Corporation By-laws. He said the By-laws track, in all material respects, the Power Authority's By-laws and this was done to increase efficiency and coherence in Board and Committee governance procedures. He said the Thruway Authority adopted the same approach when it took Control the Canal Corporation in 1992.

He further stated that:

- As directed by the legislature, the Board members of the Canal Corporation will be the same as the Board members of the Power Authority;*
- The Board should meet at least quarterly and the majority of the board members constitute a quorum, similar to the Power Authority's structure;*
- The officers of the Canal Corp are the same as NYPA's officers and have similar powers and duties as set forth in the By-laws;*
- The standing committees of the Canal Corporation are the same as the Power Authority - Audit, Governance and Finance - and the Committee members will be the same for the Canal Corporation as they are for the Power Authority;*
- The Board has to review and adopt an annual budget; Strategic Plan; Capital Plan and an Expenditure Plan; and*
- The board has the power to amend, alter or repeal the By-laws at any meeting in the future."*

CHANGE ORDER APPROVALS AND REBIDDING THRESHOLDS

1. A) For Contracts with initially approved amounts of **\$100,000 or less**, rebidding will occur when the total cumulative value of Change Orders exceeds \$25,000.

B) **If rebidding is not feasible**, any request to increase funding for such Contracts must be supported by a detailed memorandum explaining the need for additional funding in excess of the \$25,000 threshold. The memorandum shall be approved by the Executive Deputy and forwarded to the NYPA VP - Procurement for review and final approval.
2. A) For Contracts with initially approved amounts **exceeding \$100,000**, rebidding will occur when the total cumulative value of Change Orders exceeds \$250,000.

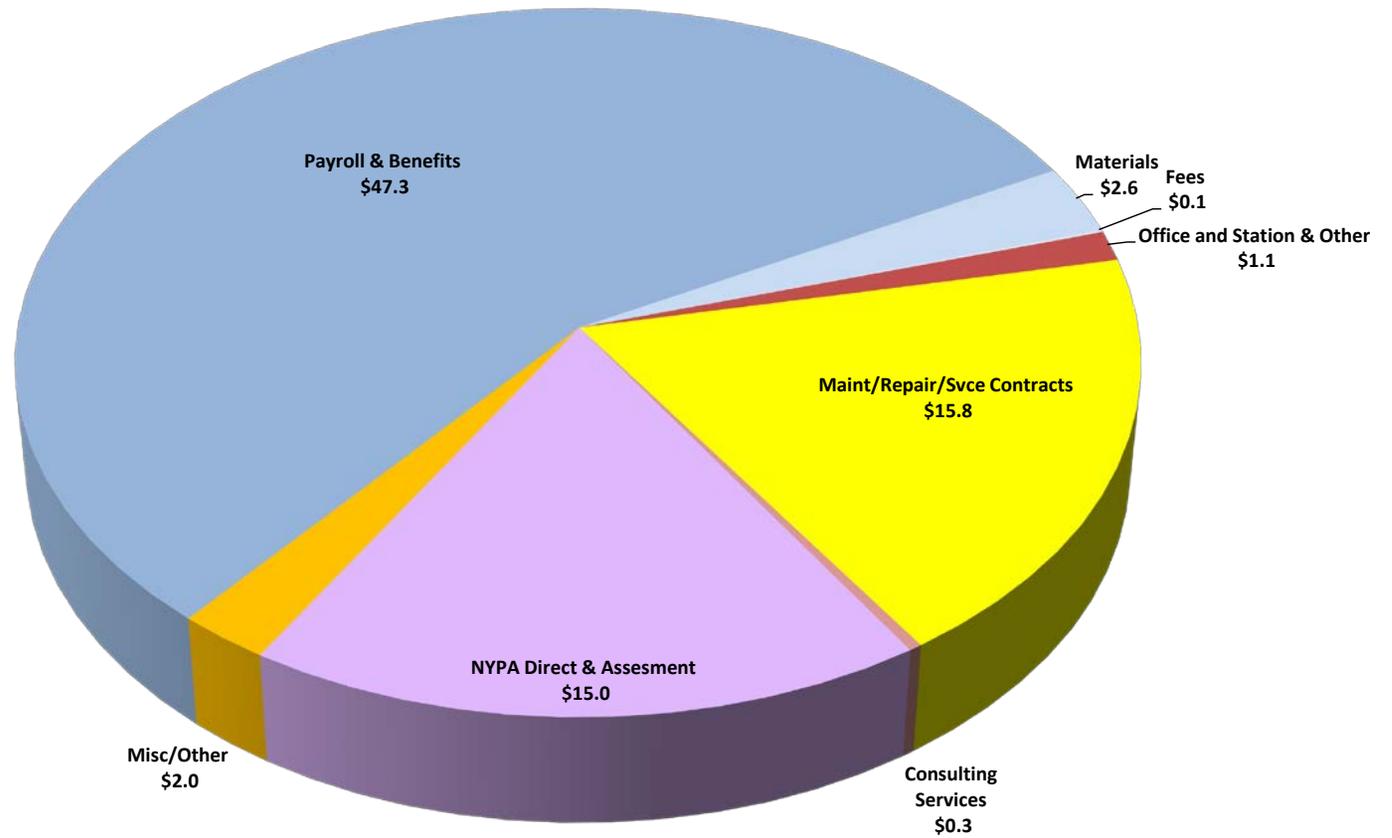

B) **If rebidding is not feasible**, any request to increase funding for such Contracts must be supported by a detailed memorandum explaining the need for additional funding in excess of \$250,000. The memorandum shall be signed by the Executive Deputy and forwarded to the NYPA VP – Procurement for review, followed by transmittal to the NYPA President, Chairman or Chief Operating Officer for approval, prior to obtaining the Canal Board’s approval.
3. Rebidding should commence as soon as it is recognized that the Contract value will exceed these thresholds, even if the term of the Contract is not complete.
4. Once the approval of such additional funding is received, any subsequent increase in funding requires an additional memorandum for the NYPA President's, Chairman’s or Chief Operating Officer’s approval, until either the Canal Board’s approval is obtained or the Contract is rebid.
5. Typical bases for additional funding in excess of \$250,000 include an "emergency condition" (as defined in the Authority's Guidelines for Procurement Contracts) which necessitates the additional funding; a situation where it is impractical to rebid (e.g., a construction project where it would not be reasonable to change contractors) or other reasons as provided for in the Procurement Guidelines.
6. Underestimating the scope of a Contract or failure to rebid in a timely fashion are not acceptable reasons for extending a Contract or increasing its value by more than \$250,000.

The term “Contracts” as used in above policy refers to any and all Commitments for the purchase of goods or services made by NYS Canal Corporation.
